

To strengthen our team, we are seeking to fill the following position, with immediate start:

## Production Planner (all genders)

at our Saarbrücken-Gersweiler site

MEDTRON AG is an internationally operating medical technology company. MEDTRON AG has established itself on the market as one of the leading European manufacturers of state-of-the-art contrast media injectors and consumables. Several thousand doctors, hospitals and diagnostic facilities worldwide rely on the contrast media injectors from MEDTRON that are made in Germany.

### Your tasks:

- > Collaborate in demand-driven production planning while taking into account available production capacities
- > Plan and prepare data for production systems for the completion of our products
- > Support the requirement quantity analysis
- > Prepare production plans and convert the requirement quantities into realistic production plans
- > Work on manufacturing documentation
- > Work on materials management and monitoring
- > Implement and support projects aimed at optimising existing processes and procedures

### Your skills and experience:

- > Completed vocational training in an engineering or commercial field
- > First professional experience in an industrial setting; experience in the medical technology industry is not a precondition but would be an asset
- > Ideally, first experience in materials planning and management
- > Business-fluent in German as well as basic English skills
- > Proficiency with MS Office; practical experience with KANBAN, Lean Production is desirable but not a must
- > Excellent head for numbers, highly organized, excellent planning skills
- > Team player, flexible and able to work under pressure

To strengthen our team, we are seeking to fill the following position, with immediate start:

### What we offer:

We offer you a permanent employment contract with attractive benefits, including annual leave allowance and Christmas bonus, an excellent working atmosphere with free drinks, weekly deliveries of fresh fruit and the option of leasing a bike through Jobrad.

If your profile matches the outlined tasks and you would like to take on this challenge in an international, fast-growing company, we look forward to receiving your application stating your earliest possible availability and your salary requirements. Please email our HR department. Do not hesitate to contact our team if you require any further information.

Please send your application to: MEDTRON AG | [jobs@medtron.com](mailto:jobs@medtron.com) | Tel.: +49 (0) 681-97017-0
